

Park Point Montessori

Volume 4, Issue 2

Monthly Newsletter

February 2010

A Note from the Director:

Dear Parents,

February is a very special month for us, it is the month of Dr. Maria Montessori who was the founder of the Montessori system of education. She founded the 'Casa Di Bambini' or Children's Home in the slums of Italy to help the special children. Today, Montessori schools have flourished all over the world and thousands of children are benefiting from them. They are growing not only academically but also emotionally and spiritually. Park Point Montessori is an excellent example of a flourishing Montessori school.

We are planning to have a science fair in our classes in February. We want parents to help children prepare simple and age-appropriate science experiments. Your child will bring the complete project to his class and share it with his friends. Our motto is to ignite a love for science in our students!

We wish all our Chinese parents and students a very Happy New Year

We are sorry to hear that Krish Shah's Grandfather passed away, we will miss him dearly.

Sincerely,
Mrs. Madhu

Upcoming Events

February 8th –February 19th Science Fair

February 17th Parents Night 6:30 to

Parents Corner:

Dear Parents,

Parents, please make sure your child is in the class by 8:30 so that he can participate in the valuable line-time lessons.

Please make a note to drive very slow in the parking lot when picking and dropping off your children.

Thank you

Parents Night on February 17th at 6:30 to 8:30 p.m.
