Monthly Newsletter

March 2010

A Note from the Director:

Dear Parents,

We appreciate your participation and congratulate you on your work with your most precious resource - - - your children. The large numbers of projects turned in for the science fair clearly shows your positive interest in your child's progress. Each project was different and unique! The smaller kids also took great pride in their projects. It has been a very encouraging event! We are thankful to all parents who donated their projects to our new science lab. We are planning to have a science fair in the future also! Park Point Montessori is aiming at conserving the environment, from next month you will see our calendars and newsletters on our website instead of paper.

Parents night was a great success. We had a wonderful turnout of enthusiastic parents. Park Point believes that work and fun go hand in hand.

To welcome the Rodeo we will have a Texan Day Parade on Friday 5th of March, children may dress up as Texan cowboy & cowgirls (NO GUNS PLEASE)!

We would like to thank all the parents who volunteered for the field trip to the museum.

Sincerely,
Mrs. Madhu

Parents Corner:

Dear Parents,

Parents, please make sure your child is in the class by 8:30 so that he can participate in the valuable line-time lessons.

Please make a note to drive very slow in the parking lot when picking and dropping off your children.

Thank you

As of April visit our website for calendars & newsletters. www.parkpointmontessori.com

We will also be emailing you from time to time with updates from your child's classroom please stop by the front desk and leave your email address.
